

## **Are you interested in Adoption or being a Foster Parent?**

Do you feel you have a place in your heart and your home for infants and children? Catholic Charities of Central Florida Adoption and Foster Care Program is currently looking for families who feel called to serve as adoptive or foster parents.

Children ages two and younger stay with the foster parents until the time of the adoption placement. This can range from one night to approximately three months. One foster parent must be non-working and able to stay with the child.

Please call Cami Tarasewich at 407-658-1818 if you are interested.
